

# Browning Associates welcomes Kaili Harding to Project Management Team

August 12, 2024

**Browning Associates is pleased to announce the addition of Kaili Harding to its project management team. With a distinguished career spanning over a decade, Harding brings a wealth of experience in project management, marketing, and business leadership to the firm.**

As a Project Manager, Harding will leverage her expertise in one-on-one executive consulting and advisory services to drive successful project outcomes. Her ability to manage complex projects and deliver exceptional results will be instrumental in exceeding client expectations.

Prior to joining Browning Associates, Harding founded Presence Image and Branding, where she honed her skills in executive image consulting and personal branding. Her strategic vision and attention to detail were instrumental in enhancing clients' professional and personal images.

Before embarking on her entrepreneurial journey, Harding served as President of the Schaumburg Business Association. During her tenure, she successfully led initiatives to promote local businesses and strengthen community relationships.

Harding's diverse background and proven leadership abilities make her a valuable asset to the Browning Associates team. Her contributions will undoubtedly enhance the firm's ability to deliver exceptional results for its clients.
