

NMDC Group Launches New Business Unit to Expand Logistics and Technical Services

December 5, 2024

NMDC Group, a leading global engineering, procurement, construction, and marine dredging company, has announced the launch of its newest business unit, NMDC LTS. This strategic move aims to leverage the company's extensive experience and resources to provide comprehensive logistics and technical services to a wider range of clients.

NMDC LTS will capitalize on the Group's proven track record in delivering complex infrastructure projects. By offering a suite of specialized services, including marine support, technical expertise, and equipment management, NMDC LTS will cater to the evolving needs of the construction and industrial sectors.

Eng. Yasser Zaghloul, CEO of NMDC Group, emphasized the significance of this expansion: "NMDC LTS will enable us to extend our reach and provide innovative solutions to a broader client base. Our strong foundation in marine engineering and construction, coupled with our commitment to operational excellence, positions us to deliver exceptional value to our partners."

Peter Marvin, chief technical & resources officer of NMDC LTS: "The delivery of EPC projects in the marine sector has unique challenges, requiring innovative solutions to enable the logistics and technical support necessary to build the infrastructure that our customers and partners need for their sustainable growth. Over decades, NMDC Group has consistently proven its expertise, capability, and capacity in this field, delivering maritime and energy infrastructure around the world. NMDC LTS will take these strengths and expand its application to new customers, partners, and industrial sectors through value-added collaboration and seeking to translate our extensive capabilities to meet their needs beyond the delivery of infrastructure."

The launch of NMDC LTS aligns with NMDC Group's broader growth strategy and reinforces its position as a leading player in the global infrastructure market. By diversifying its service offerings and expanding its customer base, NMDC Group is well-positioned to capitalize on emerging opportunities and drive sustainable growth.
