

Thrilled to Announce our new and Exciting Partnership: Project Management Global & Warwick Business School!

May 7, 2025

Get ready to level up your project management game! Project Management Global is absolutely delighted to announce an exciting new partnership with none other than Warwick Business School (WBS) - a true titan in the world of postgraduate and executive-level business education.

For project professionals who are hungry for knowledge and eager to sharpen their skills, this collaboration will bring a range research-led insight across a diverse set of fields offering you deep domain expertise at a fraction of the time investment. WBS stands as one of the world's leading institutions, renowned for its impactful and cutting-edge business courses designed for ambitious individuals like you.

We recognize that as project professionals, you're constantly juggling deadlines, budgets, and teams. That's why we've joined forces with WBS to bring you everything you need to know about the executive-level courses that perfectly align with your PM-sector needs.

With programmes crafted to deliver maximum impact in a format that respects your valuable time, equipping you with the strategic insights and practical skills necessary to excel and lead.

In the coming weeks, we're thrilled to unveil a range of world-class executive learning opportunities brought to you through this dynamic partnership. Prepare to gain access to the latest thinking, innovative frameworks, and practical tools that will empower you to reach new heights in your project management career.

And to kick off this exciting journey, we're delighted to offer an exclusive opportunity: a **30% discount** on WBS's highly sought-after **Finance for Non-Finance Managers** course! This program is specifically designed for professionals like you who want to gain a deeper understanding of financial principles and how they impact project success.

Mastering financial literacy is a crucial step for any project professional looking to ascend, particularly into leadership, C-suite-level Executive roles. And this is your chance to do so with a world-class institution at a significantly reduced cost. The Finance for Non-Finance Leaders programme is your key to unlocking the power of financial literacy and your passport to decoding complex financial jargon, aligning your initiatives with business goals, communicating confidently with finance teams and making data-driven decisions that resonate.

Stay tuned for more details on this incredible offer and the exciting lineup of executive courses coming your way. We can't wait to embark on this learning journey with you and witness the incredible growth you'll achieve!

Here's a fantastic [podcast](#) to start your PM finance journey, join Natasha De Teran, Writer and Journalist, Ganesh Viswanath Natraj, Assistant Professor of Finance at WBS and Jeremy Leake, Senior Advisor at the Bank of England, discussing if **Digital currency projects have public buy-in**.
